

Berkswich Parish Hall

Building pride in our community

NEWS

Annual General Meeting Wednesday 28th February 2018

The Committee held its AGM and despite the bad weather, snow and ice on roads, it was attended by 9 committee Members and the Administrator.

We were pleased to report another very successful year. Our end of year Accounts for 2016 were presented at the meeting and accepted. Our main source of income is from lettings which have been good this year, seeing a record number of parties and ad-hoc bookings, in addition to our regular hirers.

We were very grateful for all donations which contributed to our new oak flooring in the Main Hall. In addition, we have replaced the fencing down the side of the hall. We have issued new Ts and Cs to remind all hirers the need to look after the new flooring as well as the premises in general.

The Chairman thanked everyone for their support an especially the kind volunteers who covered whilst our Administrator was off sick.
